A little about me...I was fortunate to grow up in Rome and attend Rome Schools. I received a Bachelor's Degree from Binghamton University and then worked for several Oneida County Department of Social Services programs, including the SPFY (School Partnership for Youth) program as the caseworker for Staley, which at that time was a 7-9 Junior High. I left Staley to obtain a Master's of Science in Education and Certificate of Advanced Study in School Counseling at the Nationally Board Certified Program of SUNY Plattsburgh. I returned to Rome to intern and then work as a School Counselor for Rome City School District and have served many buildings over the last 20 years. Currently I am in my second year back at Louis V. Denti Elementary after many years and I can honestly say that I love my job!

As a School Counselor, I ascribe to the standards of the American School Counseling Association and the New York State Counseling Association. I am happy to be doing work that I love with students that have such great potential! Please feel welcome to contact me through email at samoroso@romecsd.org.
